Hi Jeff,

Nice speaking with you yesterday and thank you for time. I wanted to discuss the Motley Crue case I have in terms of valuation, do you have a service whereby you can put together a valuation of what you think it is worth for settlement to show opposing counsel? Also, wanted to your thoughts what you think we might be able to get at trial. Are you around tomorrow for a quick phone call? Thank you.

Page 1 of Exhibit E to your complaint is my photograph of BB King, the cover of the King of the Blues box set. My photo was used under a license to MCA records. I see that page 2 of that exhibit is Glen's photo.

That should be fine.

I see that your settlement conference was rescheduled to July.

Did the Court grant your request for a May 29 expert disclosure and is that the current target for this report?

Jeff

Glad to revisit.

I am in the process of engagement by a plaintiff in another matter in which UMG is a defendant.

However, I'm not certain that I can take on a case against BB King, as my publishing company has licensing agreement with the estate to use his likeness on a poster.

We should talk, however.

Jeff

Hi Jeff,

I hope all is well. I wanted to re-visit the conversation we had about Glen Craig's case against UMG and BB King. Do you have a conflict? If not, I wanted to set up a conference call to discuss an expert report on the case.

Thank you.

Hi Jeff,

Can you kindly email your engagement letter? I have expert disclosures due in my Motley Crue case next Friday, October 6th. I think the expert report is due then too. Are you able to do by next Friday? Thank you.
